

## **Curriculum Vitae**

### **EXPERIENCED IN PLANT MANAGEMENT & ENGINEERING**

**Experienced Mechanical Graduate with key skill as Plant Head, Production management, Q.C, Maintenance, H.R & Administration. Developement, Project Management (Construction & Erection of Plants).**

### **Mr.Prasanta Bhattacharya.**

**Father's Name: Late Shri M.K.Bhattacharya. (Chief Mining Engineer in Dhanbad coal belt.)**

#### **PERMANENT ADDRESS.**

**H.No. 3026, Sector-3, Faridabad-121004 ,Haryana, India**

**Telephone: (Mobile)9805501905,**

**Email: [prasanta3026@gmail.com](mailto:prasanta3026@gmail.com)**

**Date of Birth: July 11, 1953.**

**Expected compensation : Rs.15 L/ annum CTC (NEGOTIABLE, as per J.D)**

**Total experience-35+ years.**

#### **Education**

- **B.Tech/B.E. (Mechanical) in 1<sup>st</sup> class (69.5%) from M. S. R. Institute Of Technology, Bangalore University in 1979.**

**Other Qualification(s)/ Certification(s)/ Programme(s) Attended:-**

- **Basic Computer Course.**
- **Training in ISO 9001 auditing.**
- **Computer knowledge: Microsoft windows XP**
- **Microsoft Office Excel, Microsoft Office Word, Microsoft Office Power Point and Internet.**

#### **Overall Key Skills:**

**GENERAL MANAGEMENT OF PLANT.-Production, Quality Control, Quality Assurance, Product Development, Administration, Project Management, Maintenance, H.R, I.R, SCM, Skilled in Fabrication of Heavy and light jobs, various types of welding, machine shop, sheet metal, press shop, heat treatment, assembly .**

**Experience in Machine building (machine tools) and fabrication of Equipments, Pressure vessels, Heat Exchangers, Pipelines in M.S and S.S materials.**

**Experience in Foundry in Alloy steel, Cast steel, Manganese steel, S.S .**

**Start-up operation of any unit, i.e. erection and installation of machines and commissioning. Establishing management systems, Recruitment (H.R), liaison**

with Govt. agencies, handling I.R issues. Implementation of ISO 9001 (or any other certification), Six Sigma, 5 'C' process for continual improvement of plant.

**Details of my experience:-**
