

## RESUME

1. Name :- Asim Garai
2. Father Name :- Sri Subal Chandra Garai
3. Date of Birth :- 20<sup>th</sup> January, 1980
4. Languages Known :- Hindi, English & Bengali
5. Permanent Address :- Rabindra Sarani; Garai Para; Bankura; West Bengal; Pin-722101.
6. Religion :- Hindu
7. Marital Status :- Married
8. Academic Qualification :-

Sl. No	Course	Institute /Board	Passing Year
1	<b>'PGDBA in Operation'</b>	Symbiosis Centre for Distance Learning	2020
2	<b>CHARTERED ENGINEER</b> in Mechanical Engineering	Institute of Mechanical Engineers	2014
3	<b>Diploma in Mechanical Engineering</b>	West Bengal Board of Technical Education.	2002

9. Professional Experience :- Working for last 17yrs in Plant Maintenance & Project Management.
10. Responsibilities Handled :- Plant Daily Maintenance Management and trouble shooting of Equipment, Ensure availability of equipment for achieving better PLF of Plant, Maintain 5S' system and TPM.
11. List of Equipment/Plant :- AFBC & WHRB Boiler with Auxiliaries, Turbine and Auxiliaries, Cooling Tower, Coal Handling Plant, Ash Handling Plant, ESP. EOT / GANTRY Crane, Compressor, Centrifugal & Vertical Pump, Stacker Reclaimer, Crusher, Vibrating Screen, Gear Box, Bag Filter.
12. Plant Capacity :- 3x150Mw, 30Mw, 25Mw, 12Mw, 500Mw.
13. Computer Operating Efficiency: - Microsoft Office, AutoCad, SAP.
14. Employment Chronicle :-

Name Of Organization	Last Post Hold	Duration	
		From	To
Hiranmaye Energy Ltd (Previously known as India Power Corporation Haldia Limited)	Manager	December 2013	Present
Shristi Infrastructure Development Corporation Ltd	Dy. Manager	April 2011	November 2013
Usha Martin Limited	Sr. Engineer	August 2008	March 2011
Macawber Beekay pvt Ltd	Site Engineer	July 2007	August 2008
Alstom Projects India Limited (on behalf of 'Envirointech').	Site Supervisor	December 2002	June 2007

15. Organizational Experience:-

**Hiranmaye Energy Ltd:-**

Presently looking after maintenance activity of Coal Handling Package for 3x150 MW power plant at Haldia.  
Core team member for Project execution of Coal Handling Plant.

**Route survey of coal logistic** in leadership of departmental head;

**Shristi Infrastructure Development Corporation Ltd:-**

Executed a retrofit 12 MW Power plant project from EPC vendor .  
Power house building structural part erection.  
Erection, commissioning & Testing of E.O.T. Crane (supplied by M/s Anupam Industries Ltd).  
Existing coal handling plant dismantling with zero accident, Erection & successful commissioning of new coal handling plant suitable for AFBC boiler input fuel. Installed M/s MCNalley Sayajee make Impactor type crusher & single and double deck type vibrating screen.  
Erection and Commissioning of ash handling system, supplied by Macawber beekay pvt ltd.  
Commissioning of packaged type screw compressors supplied by M/s Atlas Copco.

**Usha Martin Limited at Jamshedpur:-**

Work as Maintenance engineer for captive power plant having capacity of 30MW (AFBC Boiler), 25MW (AFBC Boiler) & 15MW (WHRB & AFBC Boiler).

Worked as an active member of centralized mechanical maintenance team and executed challenges shut down / breakdown jobs as well as Preventive maintenance of BOP (Coal Handling plant with L&T make crusher, Ecoman make spring mounted vibrating Screen; ash handling plant with accessories; dm plant; cooling tower- L&T make, Gammon Make, Paharpur make; CW pump- Mather Plate Make, Kirloskar make, WEPL make , ACW pump house) & BTG (boiler- Thermax design, Cether Vessel design, Thermal System design; & auxiliaries; boiler feed pump- KSB make; condensate extraction pump- KSB make; ESP- Thermax Design, Alstom Design; various valves- Leader, MIL, BDK make; oil coolers; surface condenser- Siemens, Oil Purifier Unit- ALFA LEVEL make etc.) package

**Macawber Beekay pvt Ltd:-**

Erection & Commissioning Of Pneumatic Ash Handling System & Auxiliaries at Sterlite - Tuticorin, Dcw Ltd (2X25MW Thermax Project). Erection & Commissioning Of Ingersoll Rand Make Reciprocating Compressors.

**Alstom Projects India Limited (on behalf of 'Environtech'):-**

Fabrication, Erection, Commissioning, Overhauling & Maintenance of ESP, Bag filter, Ducting, GCT, ABC system for kiln. Worked in various power and process plant in India for specific part.
